U.S. AIR FORCE

\*\*This is mostly an exercise in visualizing and communicating an innovative idea. Please do not overthink this exercise by trying to come up with a perfect idea or overdo this exercise by spending more than 15-20 minutes on it.\*\*

By including your initials in the box to the right, you are confirming that you (1) have not included any PII in this document, (2) discussed your interest in applying with your supervisor and Commander (or equivalent) and (3) you are not currently scheduled to deploy or (4) undergoing administrative actions. You do not need a CC signature – just that you have notified your chain of command.
